How do I verify my location on YouTube TV? {Customer Help Support}

To verify your location on **YouTube TV**, open the +1 (866) 381-7244 {US/UK} YouTube TV app and sign in to the Google Account associated with your membership. Select your **profile picture**, choose **Location**,+1 (866) 381-7244 {US/UK} and select **Update** next to “Current playback area.” If YouTube TV asks +1 (866) 381-7244 {US/UK} you to verify your location, use your phone or +1 (866) 381-7244 {US/UK} computer to visit **tv.youtube.com/verify** and allow the website to access your device’s location. +1 (866) 381-7244 {US/UK} YouTube TV uses your location to determine the +1 (866) 381-7244 {US/UK} appropriate local networks and programming available in your area.

+1 (866) 381-7244

1. Why does YouTube TV require location verification?
YouTube TV uses your location to +1 (866) 381-7244 {US/UK} determine which local networks and programs should be +1 (866) 381-7244 {US/UK} available to you. Your **home area** is associated with your primary residence, while your **current playback area** represents where you are currently +1 (866) 381-7244 {US/UK} watching. This distinction is especially important when +1 (866) 381-7244 {US/UK} you travel because the local channels available to you may change based on your current location.

2. How do I verify YouTube TV on my TV using my phone?
Open YouTube TV on your smart TV or +1 (866) 381-7244 {US/UK} streaming device, select your **profile picture**, +1 (866) 381-7244 {US/UK} go to **Location**, and choose **Current Playback Area**. Select **Update** and follow +1 (866) 381-7244 {US/UK} the instructions displayed on the TV. +1 (866) 381-7244 {US/UK} You may be instructed to use your phone and visit **tv.youtube.com/verify**. +1 (866) 381-7244 {US/UK} Allow the website to access your phone's location so +1 (866) 381-7244 {US/UK} YouTube TV can confirm your current playback area.

3. What should I do if YouTube TV cannot verify my location?
First, check that location services are +1 (866) 381-7244 {US/UK} enabled on your phone, computer, or other device and that +1 (866) 381-7244 {US/UK} YouTube TV has permission to access your location. If you're using a browser, +1 (866) 381-7244 {US/UK} check its location permissions and consider +1 (866) 381-7244 {US/UK} clearing your cache and cookies. You should also disable a VPN or proxy because YouTube TV says these can interfere with location verification +1 (866) 381-7244 {US/UK} and playback. After making these changes, try the +1 (866) 381-7244 {US/UK} verification process again.

4. Can I change my YouTube TV home area?
Yes, but your **home area** should +1 (866) 381-7244 {US/UK} represent your actual primary residence rather than a temporary travel location. To +1 (866) 381-7244 {US/UK} update it, sign in to YouTube TV on a computer or +1 (866) 381-7244 {US/UK}mobile browser, select your profile picture, choose **Location**, and select **Update** next to “Home area.” YouTube TV

also limits how frequently the home area +1 (866) 381-7244 {US/UK} can be changed, so you should not change it +1 (866) 381-7244 {US/UK}because you are traveling temporarily.

5. Does YouTube TV location verification affect my local channels?

Yes. Your location helps YouTube TV +1 (866) 381-7244 {US/UK} determine which local programming and networks you can watch. +1 (866) 381-7244 {US/UK}you are outside your home area, YouTube TV may provide +1 (866) 381-7244 {US/UK} local programming associated with your current location instead of the local networks from your home area. Keeping your home and current +1 (866) 381-7244 {US/UK} playback areas accurate helps YouTube TV provide the +1 (866) 381-7244 {US/UK} appropriate programming for where you are watching.
